**IMPORTANT: Please read the following Shipping Terms and Conditions, sign and date the bottom of the document and return to us prior to the shipment of your vehicle.**

When shipping your vehicle, any non-factory installed accessories and goods of a personal nature (i.e., tapes, shoes, clothing, tools, etc.) must be removed from the vehicle (including the trunk) prior to the vehicle being transported. If you have a bra / nose mask on the front of your vehicle, it must be removed and shipped separately. Any items left in the vehicle will be removed by the carrier and will not be covered under the terms of the insurance policy. Do not fill the gas tank. All vehicles should have 1/4 of a tank or less at the time of shipping. An auto condition exception report is provided by the carrier both at origin and at destination. VEHICLE RELOCATION SPECIALISTS requires that all vehicles be washed prior to shipping, to ensure that the inspection may be done properly and accurately.

At the time of delivery you must inspect the vehicle and note any exceptions on the delivery receipt prior to signing, otherwise it will be considered as received in good condition without exceptions. CLAIMS WILL NOT BE HONORED AFTER THE FACT AND THEREFORE YOU MUST INSPECT THE VEHICLE THOROUGHLY BEFORE SIGNING THE DELIVERY RECEIPT. Please note that all vehicles must be in running condition and are accepted as mechanical condition unknown. This means that both, the insurance company or VEHICLE RELOCATION SPECIALISTS are unable to accept responsibility for the mechanical condition of the vehicle unless there is evidence of damage that contributed to the failure. Also, all Acts of God are excluded from liability.

If you have received this document via email, please return it as acknowledgement that you have received, read and agree to the shipping terms. If you have received this via fax, please sign and return it via fax to: (775) 473-2683. Thank you.
